Subject: RE: Revised Letters - Seventh set for FTA

By the way, I created a new folder (FTA Final Review) on the S: drive ([S:\Ualena\Comment Response Returned Letters\FTA Final Review](#)) for saving the revised letters. Once a letter is complete, please accept/reject the changes/comments and add "FINAL" to the end of the file name and save it to this folder. If you have additional edits (fatal flaws only), please use the round 2 file name with a 3 instead of a 2 (i.e., MBEdits3).

As we've done for the past two rounds, when you finish a letter, please send it with a note to Chris and Liz. Carl, do you want to be copied on those emails since Liz is out today?

Thanks so much!
Megan

Liz is off today. Would you please divvy up the letters and respond appropriately. At this point, we're only concerned about fatal-fatal flaws. Many thanks. Carl
